

ADDENDUM NO. 1

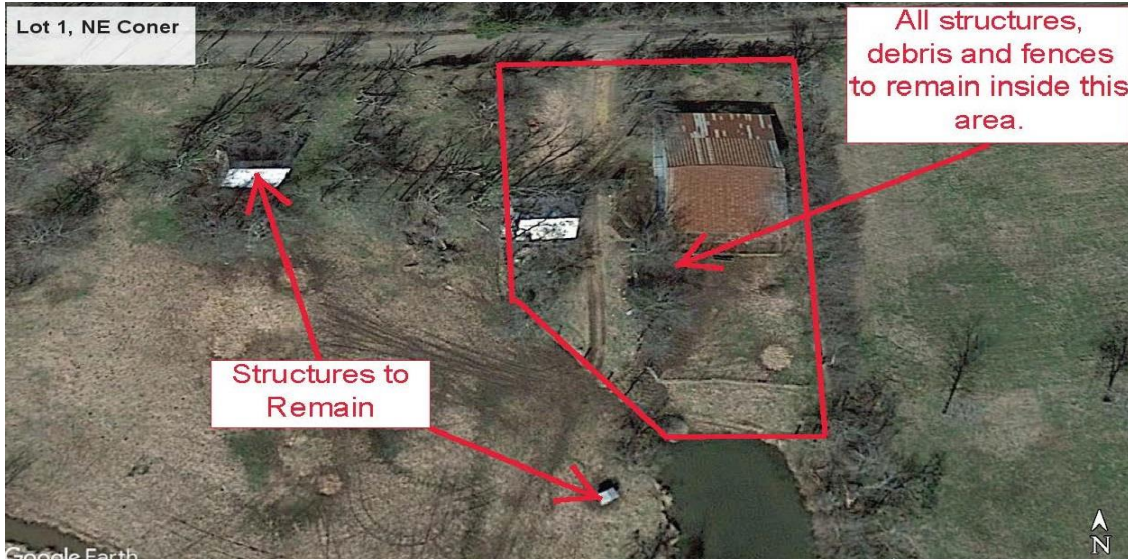

December 16, 2019

Request for Bids for the Paris Economic Development Corporation (PEDC) for Lot Clearing and Cleanup Services

This Addendum is hereby made a part of the Request for Bids document to the same extent as if it were originally included therein. The following modifications, clarifications, additions or deletions shall be made to the appropriate sections of the document.

- Underbrush is to be removed from all portions of all lots.
- Any mulched material shall have a fine grind and all mulch shall be spread on site and not be thicker than 2-inches at any one location.
- The deadline to ask questions is Tuesday, December 17, 2019 at 5:00 P.M.
- The Contractor is responsible collecting and disposing all the trash and rubbish from the five sites. The City of Paris will NOT allow trash and rubbish to be dumped at the Church Street Location. The Contractor is responsible for disposal of trash and rubbish.
- Tree removal permits for all five properties will be submitted to the City of Paris by the PEDC with assistance from the successful bidder.
- All rutted areas and wheel ruts on the properties are to be filled and/or leveled by the contractor.

- All structures (x4), trash and debris in the Northeast corner of Lot 1 is to remain including the pipe fences (see attached map for details).

- For Lot 1, fences that are not located on PEDC property shall not be removed, with the exception of fences along Loop 286, old railroad ROW and Old Bonham Road, these fences and gates are to be removed. No Chain link fences are to be removed.
- Do not remove any ATMOS marked gates or fences on Lot 1 (see picture below).

- Certain evergreens on Lot 1 along Loop 286 are to remain. The individual trees to remain will be flagged prior to start of work on the property.
